

## Care Certificate assessment opportunity 2

Going for a coffee

## This will involve the new care worker:

- Going to the client's house
- Helping the client into a wheelchair
- Walking with the client into town
- Going to a coffee shop with the client
- Taking the client home

## **Description of assessment activity**

**X** has limited mobility and uses a walking frame in the house. **X** also has a lack of co-ordination. Carers visit **X** twice a day.

The new care worker will be visiting **X** for the second time today to accompany them into town and go for a coffee. As the new care worker is in this induction period, the new care worker is accompanied by a more experienced team member who is also able to assess the Care Certificate. **X** is aware and approves the assessment process.
