

How I became a registered manager

Marissa Browne is the Registered Manager of Cascade Cohen House. Her journey to become a registered manager is summarised below.

“To see the incredible things that somebody can achieve at our organisation made me want to be a senior manager so we could achieve more of this. I loved my work so I decided to grab opportunities with both hands to develop myself further.”

Progression	Quotes	Role	Learning and development
	<p>“I commenced the Level 5 Diploma in Leadership and Management for Adult Care prior to starting as the Registered Manager.</p> <p>“I’m really enjoying the Diploma and we have a great assessor and fantastic interactive sessions.”</p>	Registered Manager	Level 5 Diploma in Leadership for Health and Social Care
	<p>“To be a deputy manager in a new home was a great experience. I received in-house training provided by my supervisor and I shadowed the registered manager.</p> <p>“For me, the best way to learn is by doing things and to find your own identity as a manager.”</p>	Deputy Manager	Various internal development opportunities
	<p>“I worked as senior support worker for nine months and throughout this period I learnt constantly about how to empower people and support them to progress.”</p>	Senior Support Worker	Various internal development opportunities

Progression	Quotes	Role	Learning and development
	<p>“Previous organisations provided very little support and development opportunities. I funded myself to undertake a Level 3 Diploma. This qualification provided me with a good academic understanding of the laws and legislation.</p> <p>“My ambition was only to be a really good support worker. It was only once I’d found my feet at Cascade and saw what we were doing that I decided I could do more.”</p>	<p>Support Worker</p>	<p>Level 3 Diploma in Children and Young People</p>
