

Six personalised safeguarding responses

Adapted from 'making connections' – (Isle of Wight) Ltd. 2011

- 1. Alert**
Recognise my experience; tell me why you are concerned.
- 2. Referral and decision**
Assess my immediate support and safety needs.
Provide me with support and information to support my decision making; share the risks with me and those important to me.
- 3. Strategy discussion**
Involve me. Work with me and others on a plan to maximise my choices and safety. Explore options and choices with me.
- 4. The assessment and investigation**
Put a plan in place that is focused on my rights and choices.
- 5. The outcomes**
Tell me what you have found out. Help me to understand what my choices are.
- 6. Monitor and review**
Meet with me to see how it's going. Discuss with me next steps – keep making sure the plan is effective.
