De-escalating in challenging situations

This handy [self- support tool](#) has been developed with social care employers, to support staff when encountering difficult situations. Use in the workplace as a noticeboard poster, cut out the handy pocket-sized reminder to give out to staff or suggest staff can photograph the tips using their phone, as an easy way to carry with them at all times.

Building resilience

Our [Building resilience webpage](#) contains resources that help team leaders and managers to build staff resilience at an individual, team and organisation level.

Mind Wellness Action Plans

[Download free guides and templates](#) to develop a wellness action plan (WAP). Everyone can complete a WAP, you don't need to have a mental health problem in order to feel the benefits. It just means that you already have practical steps in place to ensure you are supported when you aren't feeling great.

Introduction to Mindfulness

MindEd and Health Education England have developed this free online eLearning called an 'Introduction to mindfulness'. It explains what mindfulness is and how it can help you. It's free to access and you don't need to register.
